CHAIR'S ACTION

MEDICAL DEVICES COMPLIANCE WITH THE HEALTHCARE COMMISSION STANDARDS 2008/2009

Chair's action is requested to approve the Annual Report for 2007/2008 in relation to Medical Devices. The report details the concerns of non-compliance with this standard C4b for three consecutive years and notes the progress made towards achieving this. Approval of this report will ensure compliance by year end for 2008/2009 and this can be recorded in the Declaration and will assist NHS Brent in moving from a previous scoring of weak/weak to fair.

Chairs Action: The Chair and CEO have discussed this proposal and agree it.

In accordance with Section B5.2 Emergency Powers of Standing Orders (March 2007) we have discussed this proposal with the non-officer (non-executive) members listed below. They agree with the proposal.
